| Establishing the project context | Problem is vaguely stated while objectives are not stated | Problem is too broad. Objectives are not aligned with stated problem | Problem is stated but there is lack of coherence between purpose, problem/ opportunity and objectives | Problem and objectives are stated but one or more are not stated in a clear and concise manner | Problem is stated very clearly. Manageable numbers of objectives that is clear and aligned with the stated problem | |
| Appropriate methodology in carrying out the project | Methods for collecting and analyzing requirements to support project objectives are not discussed | Methods for collecting and analyzing requirements are wrongly discussed relative to the project objectives | Methods for collecting and analyzing requirements are minimally discussed relative to the project objectives | Methods for collecting and analyzing requirements are adequately discussed relative to the project objectives | Methods for collecting and analyzing requirements are thoroughly discussed relative to the project objectives | |
| Discussion, conclusion, implication & recommendation | Discussion and conclusions are not presented limitation and recommendation are not presented | Discussion and conclusions are unclear Limitation and recommendation are unclear | Discussion and conclusions are presented but less clear, irrelevant to objectives Limitation and recommendation are presented but less clear | Discussion, conclusions, limitation and recommendation are moderately presented | Effective discussion and conclusions Limitation and recommendation are clearly presented | |
| Report organization and structure | The organization is problematic or nonexistent | The organization is unclear or ineffective | The organization is not clear or does not follow the required report structure | The organization is clear but containing minor problems | Well organized | |
| Graphics (charts, tables, graphs) | Diagrams and illustrations are not used to clarify the content | Diagrams and illustrations are neither neat nor entirely accurate and they don't add much to the content | Diagrams and illustrations are somewhat accurate though do not add understanding to the content | Diagrams and illustrations are accurate | All diagrams and illustrations are neat, accurate and add understanding to the content | |
| Mechanics (punctuations, grammar, spelling) | Poorly formatted | Formatted but require major improvements | Formatted with minor improvements | Adequately formatted | Well formatted | |
